To: Stakeholders of the Canadian Electrical Code

Alberta Municipal Affairs, in partnership with the Safety Codes Council, is proposing the adoption of the 2009 edition of the Canadian Electrical Code. As a stakeholder in Alberta's electrical discipline, you are being provided with the opportunity to review and comment on this code prior to its adoption for use in the province.

For your review and feedback, a survey which includes a brief overview of the changes to the Canadian Electrical Code has been posted online at http://www.municipalaffairs.alberta.ca/cp_index.cfm Further details about the changes can be found in the 2009 edition of the *Canadian Electrical Code*, which may be purchased from the Canadian Standards Association.
